Dear Shavon,

The Harris County Cares Act funding opportunity allowed our team to serve hundreds of individuals and families in need. This required 'all hands-on deck' to come together and collaborate as a team. YOU were instrumental, every step of the way... from creating the proposal to identifying and providing resources. YOUR commitment and dedication made it possible for us to get Houston Back to Work!

Please know that I am immensely grateful for ALL your efforts, including the long and tiring days and the many additional demands that you encountered, personally and professionally.

On behalf of SERJobs and the countless lives you touched, please accept this token of appreciation for your service to our community.

Sincerely,

Sheroo Mukhtiar
